PACC Meeting Minutes  
January 9<sup>th</sup>, 2012  
Brooks House

Members Present: Lance May, Rhonda Lisio, Fred Crellin

Also Present: Ernie Sund, Jo McLaughlin

Call to Order: 7:01pm

Public Comments: Jim Normandin came to complain about the Comcast service in the weeks following the October snowstorm. While PACC was unable to offer any direct help, they did offer ~~time~~ suggestions. Lance suggested that Mr. Normandin send a written complaint to the Selectmen to add to any record that should be kept prior to the renegotiation of the contract. Ernie suggested that next time he contact Verizon, as they own the polls. Rhonda recommended that they contact the state regulators in Boston, and Fred suggested that in addition, they contact Representative Benson's office.

Old Business:

- Blackboard Update – According to records, one payment of \$7,900 has been made and there is a similar bill outstanding. PACC authorized Lance May to ask Kerry for a letter indicating that it is legal for us to make such a payment (which would end our financial commitment to the project.)
- Logo Update – none
- New Equipment Update – tabled until the Feb. meeting
- Step Program Student Evaluation Format – There was a discussion of the format and procedures for evaluation. It was reported by Jo that our current intern, Mike Wallman has been working on a drunk driving PSA and a possible quarterly program on the public safety departments. It was suggested that Mike be invited to our April meeting.
- Repair Costs for GLZ Camera – Jo said that it was her assumption that it will be covered under the warranty. She will attempt to confirm this for the next meeting.
- Volunteers – Jo talked to Jason Kearns about possible volunteering and/or contract videographer work. He seemed interested. It was suggested that we check on availability for high school basketball broadcasts, etc.

New Business:

Next Meeting: Feb. 6<sup>th</sup> at 7:00pm

Meeting Adjourned: 9:00
